Here we have a striking example of the economical and reliable Ford Fiesta 1.0 EcoBoost Titanium (s/s) 5 door in the eye catching Silver. Having covered only 88,400 miles in its 7 year life, you can be confident that this car is in great condition. There are some great features on this little car, but our personal favourites are its cruise control which means you will stay comfortable even on those long drives, the Bluetooth functionality which means you can control the music from your phone on the 5" touch screen, the HAC, Hill Start Assist Control, which prevents your vehicle from rolling backwards, and, the Start/Stop System which automatically shuts off the engine when the vehicle is at rest to cut fuel use and eliminate idle emissions.
