Here we have a striking example of the economical and reliable Vauxhall Mokka 1.6 CDTi ecoFLEX SE 5 door in the eye catching Metallic Blue. Having covered only 43,000 miles in its 5 year life, you can be confident that this car is in great condition. There are some great features on this stylish car, but our personal favourites are its cruise control which means you will stay comfortable even on those long drives, the Bluetooth functionality which means you can control the music from your phone on the car's speakers, the Heated leather seat which increases the comfort level of the car in the cold season, the Start/Stop System which
