Here we have a striking example of the economical and reliable Mazda3 1.6 TS2 5 door in the eye catching Metallic Grey. Having covered only 83,000 miles in its 12 year life, you can be confident that this car is in great condition. There are some great features on this little car, but our personal favourites are the cruise control which means you will stay comfortable even on those long drives, the Bluetooth and Aux-in functionality which means you can control the music from your phone on the car's speakers, the Voice control which allows you to operate the car's functions through speaking instructions instead of using the physical buttons on the dashboard, and, the Heated Seat which increases the comfort level of the car in the cold season. The leather finished steering wheel with finger tip controls adds to the premium feeling that this lovely Japanese car offers. The car is surprisingly spacious and the
