Here we have a striking example of the economical and reliable Citroen C3 1.2 VTi Selection 5 door in the eye catching Silver. Having covered only 30K miles in its 7 year life, you can be confident that this car is in great condition. There are some great features on this little car, but our personal favourites are the Panoramic Roof for that open air feeling while you drive, the cruise control which means you will stay comfortable even on those long drives, the Bluetooth functionality which means you can control the music from your phone on the car's speakers and, the rear parking sensors which means you can keep the immaculate paintwork in excellent condition. The leather finished steering wheel with finger tip controls adds to the premium feeling that this lovely French car offers. The car is surprisingly spacious and the seats are extremely comfortable, making the C3 Selection ideal for any kind of journey. At Solhebon Car Hub we don't just sell cars, we do everything possible to g...
